

PEKATEX®-Skeleton profiles Examples of application

Frame Stiffening
of non-rigid sheets

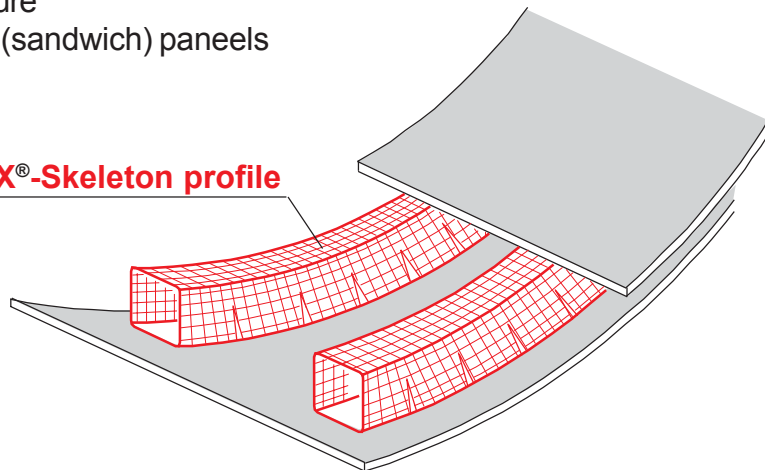

Laminating
of air ducts

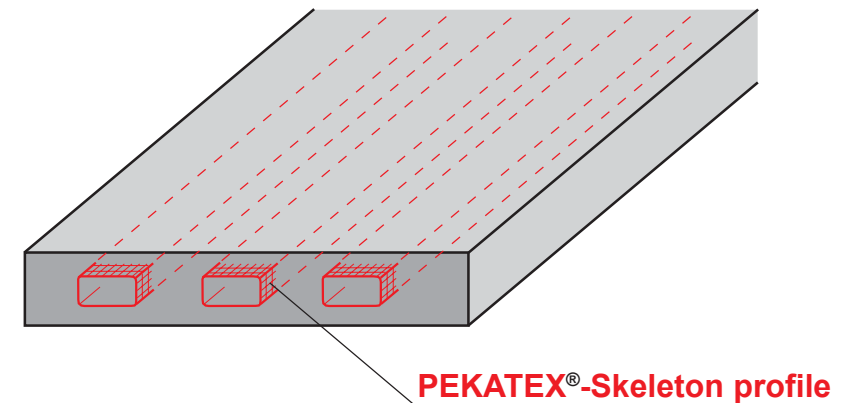

Manufacture
of curved (sandwich) panels

PEKATEX®-Skeleton profile

Reinforcement
of foams and mastics

PEKATEX GmbH, SK 02-12-09 E

Overview of further applications see SK 02-12-10 E: Positioning and connecting • Bridging, strengthening of inner and outer corners •
• Stiffening by ribbing • Stiffening by sandwiching • Forming of ducting channels for air ducting and installations •
